CHRIS DODS JOINS CLEAN EARTH AS CHIEF EXECUTIVE OFFICER

Clean Earth is pleased to announce that Chris Dods joined our company as Chief Executive Officer on Monday, April 5, 2010.

Chris has enjoyed success for more than 20 years in the industrial and environmental services industries. His experience includes building and growing relationships with customers ranging from small proprietorships to some of the largest multi-national companies in the world. Most recently, Chris was the President of the Environmental Services Division of PSC, LLC., which analyzes, packages, transports, treats, recycles and disposes of Hazardous, and Universal waste. Chris was responsible for leading a group of 1000 employees and managing 45 operating locations nationwide. From his own experience, Chris has proven that success in business is achieved by bonding and energizing his team of employees around personal as well as business goals. His record of success is a testament to this approach. Chris joins our team with his wife of 26 years and his three children.

We welcome Chris and his family to Clean Earth.
