CERTIFICATION OF VIRGIN FILL MATERIAL

Clean Earth of Carteret, a fully permitted Class B Recycling Center, located at 24 Middlesex Avenue, Carteret, NJ, hereby certifies that the soil is from a virgin source and was not subject to industrial or commercial operations which may have impacted the nature of these soils. Based upon our knowledge, and the records/documents related to this site that are within our possession, or maybe reasonably obtained from the property owner where these soils were generated, there have been no past spills or improper disposal of any chemical contaminants that may have impacted these soils or rendered them contaminated.

Therefore, these soils meet the clean fill definitional provisions under N.J.A.C. 7:26A 1.3 & 7:26 1.4
